If you have already paid in advance, please regard the invoice as a confirmation, not as a payment reminder. This does not apply, of course, if you have been notified about non-payment - in that case, please contact us immediately.
If you are unsure whether you have already paid this invoice or not, please log in to your customer control panel at my.contabo.com and go to "Payment information". If your balance is positive and there are no warnings, there is no need for an immediate payment. Please still check all information given on this page, we always recommend to recharge your account with the amount suggested in the "Recharge your account" section.

Payments for services rendered are not taxable at national level.
